

Little Stars on the Lane, Theatre Lane, Greystones, A63 V1F8.

Little Stars on the Lane recognises that Greystones and its surrounding areas consist of a small and tightly knit community.

We understand that our team live and work in this community, as do the management team, and may have relationships with our parents outside of their workplace.

Little Stars on the Lane respects those relationships and respects that our team have personal lives outside of work.

Equally, all the staff and management of Little Stars must have the freedom to live and develop friendships in their community without it being dictated by their workplace.

Little Stars on the Lane's responsibility for the children enrolled in their creche begins at the door of the creche and ends when a child leaves the front door (glass door) of the creche. This responsibility extends to the opening hours of the creche only and only in the creche location.

With this in mind, any friendships, transactions, babysitting, childminding, or relationships of any kind outside of the hours and place of operation of the creche are entirely between the parents and the staff member and are not the responsibility of Little Stars on the Lane.
