## **Little Stars on the Lane Afterschool:**

### **Non- conforming days**

At little stars on the lane we aim to give each of our little ones a positive experience with us. To this end we do everything we can to facilitate all school pick ups.

There are a number of days in the school year, where children are finished at times that are different than their usual collection time. We can sometimes facilitate this change but in most instances we cannot collect at the new changed time.

Some reasons for the change could be as follows:

- Teacher training days.
- School tours
- Afterschool activities
- The two weeks at the start of the year where children are settling in and getting acquainted with their new school routine.
- Last day of term

On these days, parents are very welcome to drop their child in to Little Stars Afterschool from 1.30 onwards. We will be delighted to arrange for your child to join the group.
