

Little Stars on the Lane, Theatre Lane, Greystones, A63 V1F8.

Fees policy:

Little stars on the lane is a full time creche, afterschool and preschool.

All fees are due on the first day of every month. Delayed fees will incur an additional charge of 10 euro per month. This is administered should fees be more than 14 days late in any month.

Fees are calculated according to the fees list/ service agreement for NCS parents, which is available on notice boards in the service and signed by each parent availing of ECCE/ or NCS where applicable. These fees are also displayed on our website and on our Facebook page.

Sessional children and afterschool children work off a 38 week model. They cease attending in the summer unless otherwise agreed with the creche owners.

Any child availing of ANY full day options is considered a full time child for every day they attend (5 days). Their fees are due over the summer months and do not cease. All fees therefore are then calculated on a 52 week model and ECCE fees are calculated to reduce fees on a 12 month model rather than a 38 week model. This is so that fees remain the same for parents each month.

Fees are still due if a child is unwell, if a child is on holiday or if a parent chooses not to attend for the summer.

There are no exceptions to this policy.
